Industry Testimonial

It was great experience being interact with students of Poddar Business School. Will like to hire more candidate in future and look forward to a healthy relationship.

MR. BHARAT SINGH
Manager-HR

MR. ARPIT SAXENA
Geo TA Head – Rajasthan

It was a surreal experience to go for campus hiring event at Poddar Group Jaipur. It was so fulfilling to witness the hustling energy of sharp minds at Poddar and getting a chance to interview the brilliant students who were from different parts of the country. I would like to extend my sincere gratitude to all the members of placement office at the college for your warm hospitality and making the hiring process so smooth! Special thanks to Mr. Prabal and team for arranging everything so well!

Industry - Academia Interface

The building block of this millennium is core competence in the development of Human Resources with proven ability to adapt to change, be creative, self-motivated, logical, analytic, interactive, multi-skilled and personally effective. This is possible through a close Industry-Academia Interface which is perhaps the most critical differentiation for academic Institutions worldwide. Good interface with industry ensures that students are able to keep pace with the fast changing scenario of industry which is mirrored in their knowledge, skills, and quick adaptability to the rapidly transforming corporate scenario.

With a belief that “Collaborations Drive Innovations” our Training & Placement Team consistently liaise and work with the corporate sector to explore, establish, and strengthen corporate tie-ups and invite professionals from corporate sector for campus interviews, send students for industrial training, take students for industrial visits, and invite corporate professionals from across industries for expert lectures, seminars, and conferences.

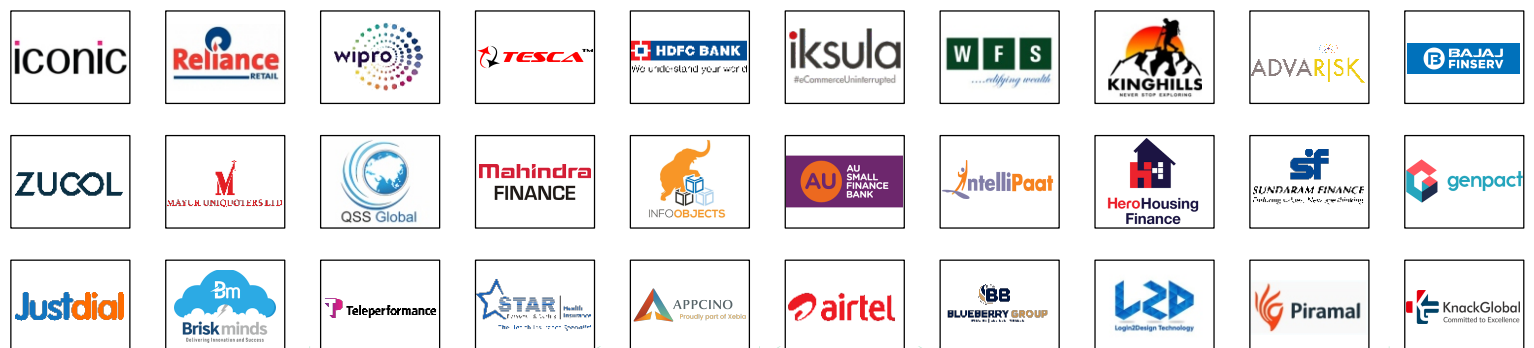

Corporate Training Division

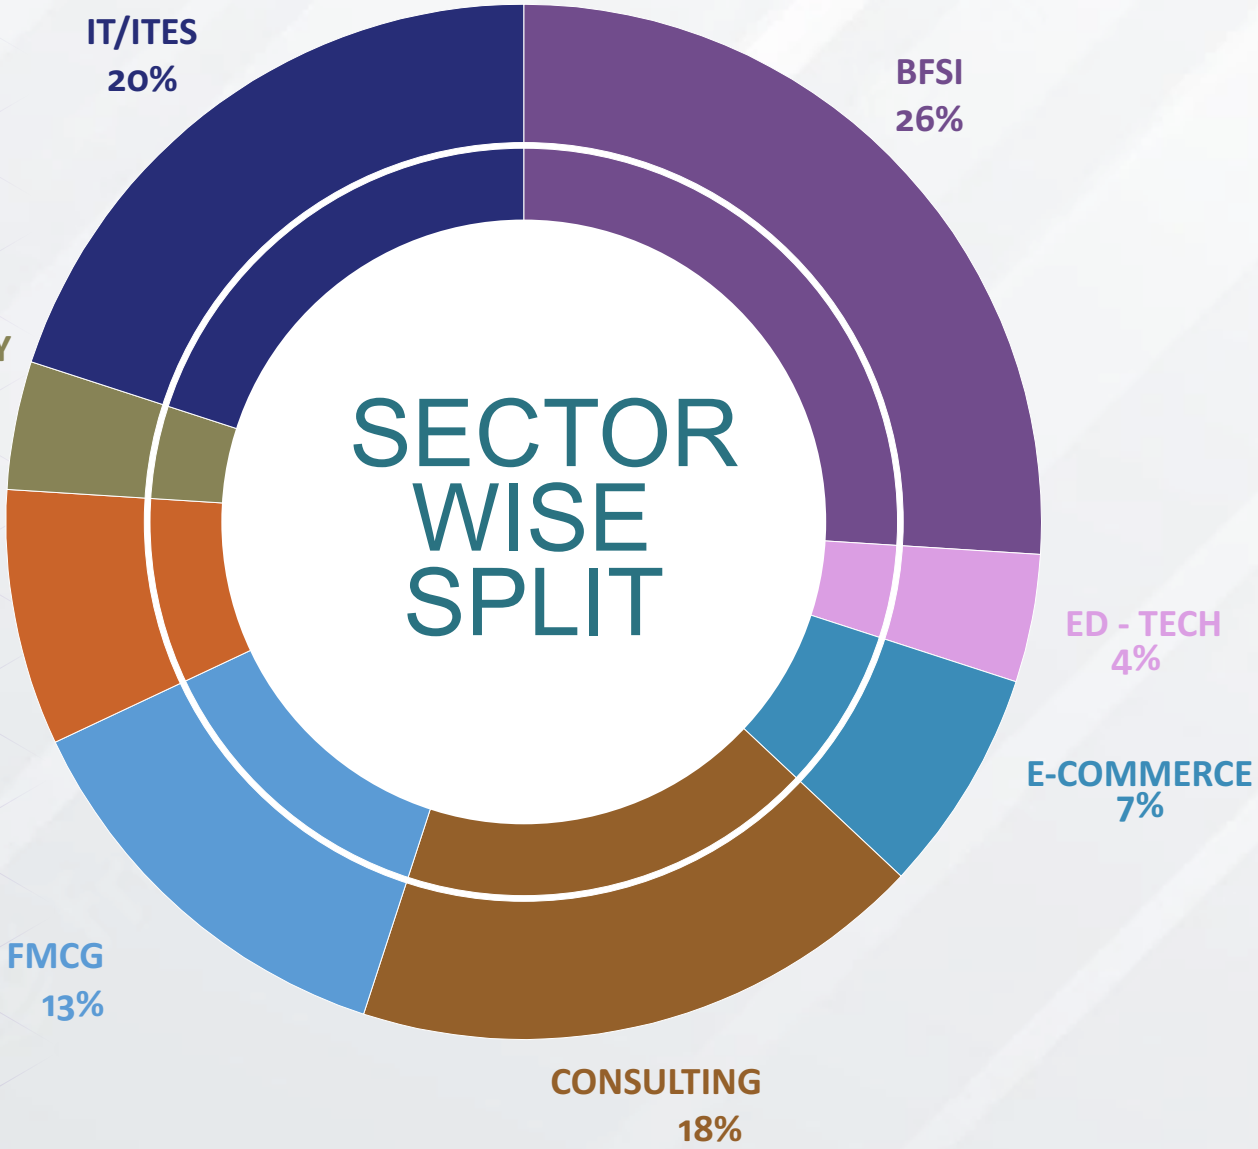

Poddar Group of Institutions runs a variety of management and personality development programme for corporate and students. These programme are conducted by eminent Corporate Trainers with rich and exponential training experience at renowned Corporate Houses . Their skillful training style prepares and gives insight to the students on working of the corporate world and how they need to conduct themselves in the dynamic and ever changing world. Through various psychometric tests, the student's aptitude and personality is scientifically measured and students are guided towards their goals and ambition combined with enhancing their personality, English vocabulary, communication skills, interpersonal skills, selling skills, customer orientation, team work, group dynamics, etc.

Academic Division:

This division consists of eminent educationists and researchers who tirelessly work in bringing about quality education, innovative methodology and technique for imparting effective teaching. Students are exposed to latest case studies of the corporate across the world, giving them a better understanding of managerial skills and divergent thinking. It ensures the right training in the theory by excellent faculty team and the industrial training in the right set of the industry. Eminent faculties have also ensured the dynamism and flexibility required to keep its students at the forefront of educational change.

HOME FINANCE

Vaishnavi Aswani
MBA (Mahindra Home Finance)

I am happy to share that I got placement in Mahindra Rural Housing Finance Ltd. as a Campaign Manager through campus placements. Although getting selected was not easy but I came through it, as there was lot of support from my parents and all my teachers. I would also like to thank and appreciate the support and cooperation of the Training & Placement Cell which helped us a lot regarding the placements.

Shamishka Sharma
MBA (HDFC Bank)

campus for the efforts they make for providing a fair and ample amount of chances to us as students. The faculty members worked so hard on our overall development and conducted extra -classes for us to enhance our technical and interpersonal skills. It's being a pleasure to be a part as a student of Poddar Management and Technical campus .
