# Chairman MESSAGE

**P**oddar Group of Institutions was established 28 years ago with the idea of providing "Education with a Purpose to Shape a Better Future" and developing new frontiers of knowledge. With the objective to empower India's youth to be more employable, self-reliant & Globally competitive, the Poddar Institutions are developing innovation as a culture and focusing on the development of the skill set of the students. We have been focusing consistently on achieving high standards of academic excellence by providing holistic and multidisciplinary education through Research, Outreach Plans, Innovative pedagogy, incredible infrastructure, outstanding faculty and Industry-oriented experiential learning. We strongly believe

that academia and Industry should come together to share each other's expertise accompanied with greater commitment to make a truly knowledgeable, skilled and progressive society.

Let's together embark on the journey of growth and unlock unlimited possibilities for your future.

**Dr. Anand Poddar**

Chairman  
Poddar Group of Institutions

# Vice Chairperson MESSAGE

**P**oddar Group of Institutions believes in the Holistic learning and development of the students. Emphasizing upon the all-round development of an individual, we have been consistently catering to the needs of our students keeping into consideration the changing scenario and the competencies required to grow in the market. Our proficient faculty often engage students in projects that apply critical-thinking skills to solve real-world problems. Poddar Group of Institutions takes the responsibility of shaping the future of the nation and society by developing good human resources nurturing them holistically. Our thirst for

bringing out well-qualified individuals of high caliber to take advantage of immense opportunities the world offers, manifests our mission of relentless service in the field of Education.

*Keep Aspiring, Keep Achieving!*

**Ms. Roopal Poddar**  
Vice - Chairperson  
Poddar Group of Institutions

# Director's & Dean's MESSAGES

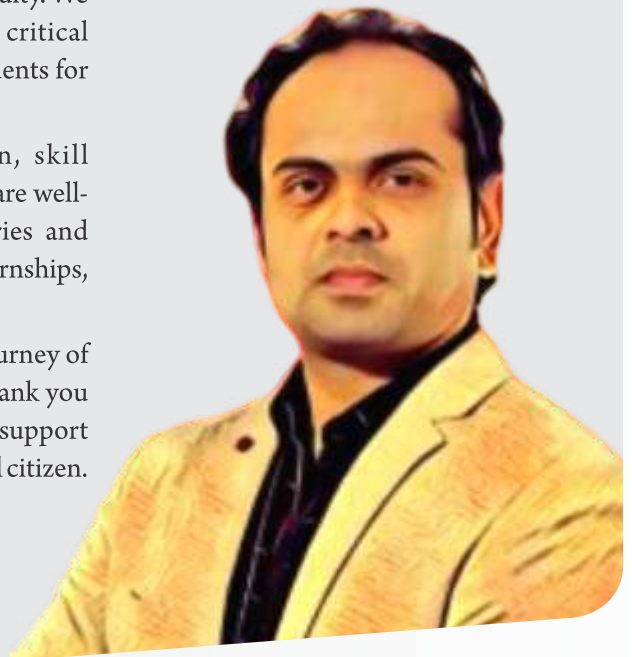

Welcome to Poddar Business School, where academic excellence, innovation, and holistic development are at the core of our mission. Our focus is on fostering knowledge, creativity, and leadership through a well-structured curriculum and highly qualified faculty. We believe education goes beyond textbooks, encouraging critical thinking, problem-solving, and ethical values to prepare students for the challenges ahead.

At Poddar Business School, we promote innovation, skill development, and industry exposure to ensure our students are well-equipped for the future. Our collaborations with industries and academic institutions provide valuable opportunities for internships, projects, and real-world experiences.

I invite you to join our academic community, embark on a journey of growth, and unlock limitless possibilities for your future. Thank you for considering Poddar Business School; we are excited to support your journey toward becoming a skilled and responsible global citizen.

## Dr. Saurabh Maheshwari

Director,  
Poddar Business School, Jaipur

I take immense pleasure in introducing you to Poddar Group of Institutions where management programs are truly innovative and path-breaking. Every decision comes with multiple choices and a significant amount of time is invested to align what you need to do and what provides the best value for your money. Management Education and Learning Environment at Poddar Business School, Poddar Management and Technical Campus and Poddar International College is unique, transformative and an innovative featuring highly interactive classes and technology-enhanced learning. We offer a wealth of opportunities, including overseas exposure, community services and industry connections. Our programs offer Experiential Learning where theory meets practice with business simulations, live projects, industry specific assignments, seminars, rich industry-academic collaborations and much more. Our mission is to deliver an outstanding learning experience to our students. Management Programs at our Campus are crafted to develop responsible business leaders. We look forward to welcoming you to one of our vibrant campuses.

## Dr. Sunil Kakkar

Dean – Academics, Commerce and Management

# What Say

## ABOUT PODDAR

### WHAT INDUSTRIALISTS & ACADEMIC LEADERS SAY ABOUT PODDAR

I had a wonderful time here! Students here are so vibrant, amazing, ready to learn & that is a very impossible quality. It's a very wonderful thought process & this whole foundation that has been built so strong. I wish Poddar all the best.

**Capt. Yashika Tyagi**

Ex- Indian Army Officer & Kargil War Veteran

I would like to Thanks entire Poddar Group for inviting me! It was a great experience interacting with students & guiding them for their future path. Interacting with students is what I always like & Poddar doing this interaction at such a big level is I think a wonderful initiative.

**Rajat Arora,**  
Founder, Deeceeline  
TedX Speaker

I would like to congratulate Shri Anand Poddar for creating an ecosysytem and giving young minds an opportunity to work on new ideas, new challenges, come up with new technologies. These initiatives are giving students a platform to work upon ideas which are native, innovative & which give real world solutions . I again would like to congratulate Poddar Group of Institutions!

**Abhay Jere,**

Vice Chairman, AICTE  
Chief Innovation Officer for the Ministry of Education

Poddar is creating Job Creators! When I came here, I thought it is just going to be any college event like most of the colleges have but the scale at which Poddar is doing such kinds of useful seminars, events & the way it has been made interactive & the way students have participated is amazing. Thanks to Poddar for having me here!

**Deepak Gadhia,** Chairman, Sunrise CSP Pvt.

Promoting Startup culture is very important and I think that is exactly what Poddar is doing for their students... It's a pleasure always coming to a college & talking to students who are just about to start their corporate life. These extracurricular things are so important for students as the competition is growing a lot faster these days but it is really wonderful to see Poddar College helping students!

**Gaurav Taneja,** Founder, BeastLife

It was my pleasure being here at Poddar Institute! I look forward to coming back to the institute, and I also look forward to the institute doing very well over the next few years, and I only promise all the support that is required by the college.

**Prof. Nimit Rajan Choudhary**

Vice Chancellor of Rajasthan Technical University

I must say that all the students are in good hands at Poddar College, and with the kind of track record Poddar College is having, along with the intention and vision of Dr. Poddar, I am rest assured that the students here will do very, very well in the coming future!

**Mr. Shashi Kiran**

Chief Public Relations Officer, North Western Railways
